2016-2017 SEAOSC Younger Members Committee Charges

SEAOSC Vision

The Structural Engineers Association of Southern California (SEAOSC) is the premier professional organization to which local Structural Engineers belong. The organization serves its members in the noble profession of structural engineering by fostering and promoting the contributions of structural engineers to society.

SEAOSC Mission

SEAOSC is a member-centric organization, where substance and image are equally promoted through fiscally responsible management and optimization of the benefits to the members. SEAOSC leadership and membership will strive to reach the ideals represented by the following five pillars of the association: Membership Value, Image & Advocacy, Codes & Standards, Education, and Legislative Participation.

SEAOSC Membership Value Pillar Mission

Cultivate social contacts and encourage camaraderie among members. Increase participation by providing worthwhile events and opportunities that bring value to the membership.

SEAOSC YM Committee Mission Statement

Reach out to new engineers and students to provide the opportunity for them to grow and develop within the structural engineering community while promoting continued membership and involvement within SEAOSC.

SEAOSC YM Committee Standing Charges

- Provide opportunities for younger members to socially network with seasoned members
- Continue education within the structural engineering industry and grow as engineers and members of the SEAOSC and the profession
- Plan/organize the February SEAOSC Student Night
- Assist with SEAOSC Membership Committee events
- Maintain contact with SEAOSC Student Chapters or students and identify opportunities to promote SEAOSC membership at local universities

- Host bi-monthly general committee meetings
- Facilitate vendor product training and demonstrations for the membership
- Apply for NCSEA Young Member Group of the Year (July)

SEAOSC YM Committee Charges for Current Year

- Organize educational events for younger members to continue growing personally and professionally.
- Provide site tour opportunities at various facilities for younger members to see the real world first hand.
- Organize professional development seminars to help younger members enhance their professional skills essential for success in their career.
- Facilitate apprenticeships amongst SEAOSC committees as an avenue for future member involvement.
