

Structural Engineers Association of Southern California

A Safer Cities Event

Learning from COVID-19 and preparing for the
Next Big Earthquake

Wednesday, July 29, 2020

10:00am-11:00am

Join Us - No Cost to Participate

Explore the take-aways with participants in the Building Safety Month Conversation between CALBO, ICC, and SEAOSC. During our joint May 20th event, over 70 people from all over the State of California and beyond participated in a robust and informative conversation. For a summary of what was shared, download a copy of the event summary [HERE](#).

Join us to hear from the participants from the Building Safety Month Conversation, who will share select take-aways and then have a discussion with you about if and how those take-aways could inform what we, as individuals and as SEAOSC, are doing to prepare for the next Big Earthquake.
